

**Please keep this leaflet
(or pass it on to your family and friends)**

I am Simon Wilson

Despite having Cerebral Palsy and no speech, I run my own internet-based business as an Independent Distributor for The Utility Warehouse Discount Club.

Please take the time to explore my website:

www.UtilitiesOnOneBill.co.uk

It offers you, your family and friends the opportunity to save money on a whole range of utilities such as telephone, gas, electricity, broadband and mobile phones, plus get our cashback card and get **5% off** your shopping and fuel. Also, introduce a friend or a family member and get money off your bill every month **FOREVER**.

Not only am I able to offer you fantastic savings and the added convenience of only one monthly bill, but by switching on my website, you will be supporting my business on an ongoing basis and helping me to promote independence and individuality for people with disabilities.

The average household saves nearly **£1,000** a year

Register online or phone Customer Services on 0800 1313 000 and quote my ID number which is 570617

Want to have an extra income and work flexible hours?

Please visit www.PositiveBusinessOpportunities.co.uk and find out about our income opportunities

For any more information about these services please email me at:

info@UtilitiesOnOneBill.co.uk

Alternatively, please phone my business partner Karen Young on 01892 861888

Don't just take it from me. Many articles have been written about us, such as the Which magazine, also I have a few letters of recommendations from existing customers which I can give you. Please Email me for a copy
